I spoke to Carla and she gave me the info below about the public health director. She wanted you to forward it to Motria and Mark to possibly make the contact happen sooner.

Annette:

Dr. Gerri Browning can be reached at the East Chicago Health Department (219) 391-8467 or his private practice (219) 844-9060. See the attached.

As we discussed, we went to medical school and did other graduate work at Johns Hopkins, and is aware of the work the ATSDR did in 1994 and 2011 related to the USS Lead Superfund.

Thanks,

Carla
